Troilus Mining Corp. (TLG-T)

Troilus Mining strengthens financial leadership as project advances towards construction

On February 11, 2026, Troilus Mining Corp. announced the appointment of Marty Rendall as CFO (Chief Financial Officer), effective March 1, 2026. This appointment further strengthens Troilus Mining's financial leadership as it advances toward construction readiness. As part of this transition, Susanna Milne shall assume the role of VP, Finance, continuing to oversee financial reporting, accounting, budgeting, and internal control functions. Ms. Milne remains a key member of Troilus Mining' leadership team and shall work closely with Mr. Rendall as the finance organization continues to scale.

Recall the Troilus Cu-Au Project located in north-central Québec and is comprised a 43,550-ha land package located within the Frotet-Evans Greenstone Belt of the Eeyou Istchee James Bay. Troilus continues to advance on several fronts and remains focused on identifying and delineating higher-grade mineralization and enhancing confidence in the block model (see : https://www.linkedin.com/posts/eric-lemieux-9468715_quebec-troilus-mining-activity-7416664759879729152-i5aL/?utm_source=share&utm_medium=member_desktop&rcm=ACoAAAEcWYBYv9lQ3WrNxLu2lPKW-SB479Ajztl).

Mr. Rendall is a senior finance executive with nearly 30 years of experience in the mining industry, having supported companies through exploration, development, construction, and production across multiple commodities and jurisdictions. Most recently, he served as CFO of Electra Battery Materials Corporation, where he supported financing and the start of construction of its Ontario-based cobalt refinery. Prior to Electra, Mr. Rendall spent 17 years as CFO of Victoria Gold Corp., (2007-2024) where he played a central role advancing the Eagle Gold Mine in Yukon from early-stage exploration through construction and into operation. During his tenure, Victoria completed over \$1B in total financings, including large-scale construction financing, and executed multiple corporate transactions. Mr. Rendall also held senior finance roles with De Beers Canada (2001-2007) and Breakwater Resources Ltd. (1996-2001) and acted as a director of Takara Resources. He holds an Honours Bachelor of Business Administration from Brock University and is a Chartered Financial Analyst (CFA).

Ms. Milne is a Chartered Professional Accountant with nearly 2 decades of experience in the mining sector. Since joining Troilus at its inception in 2017, she has played a key role in establishing the financial systems, governance, and reporting framework of Troilus Mining. She was appointed CFO in 2024 and in

her new role, Ms. Milne shall continue to lead financial reporting and the accounting team while supporting broader financial planning and strategy.

Justin Reid, CEO of Troilus Mining, stated: *"We are very pleased to welcome Marty as Chief Financial Officer at a pivotal stage in Troilus' development. He brings deep experience in leading mining companies through complex financing, construction and operations -capabilities that align directly with where we are today. At the same time, Susanna has been instrumental in building Troilus' financial foundation since inception, and her continued leadership as Vice President, Finance ensures continuity, strength, and depth across the finance function. Together, Marty and Susanna provide a highly complementary leadership team as we prepare for the next phase of growth".*
